The Third Edition of this bestseller is a thorough revision. New chapters cover criminal behavior theories and psychological profiling; autoerotic deaths, and occult crimes, plus two new chapters detailing infamous unsolved crimes/criminals: Jack the Ripper and the Jon Benet Ramsey case. The authors' continuing research and activities in the field result in a multitude of new case studies for this book, often included as boxed inserts.</p>

This is a textbook that is a vital resource for students in criminology and criminal justice, or as a tool for criminal justice professionals and researchers. Profiling Violent Crimes, Third Edition contributes significantly to the knowledge about violent personalities and behaviors. </p>
