Claim the Empty Throne

White Wolf's first board game arrives at long last! In this European-designed game based on Vampire: The Requiem(tm), up to five players assume the roles of vampire clans in a struggle for control of their city. . Using a mix of diplomacy, deceit and strategy, players compete to build their influence in key power centers and earn prestige among the undead.

Modern Gothic Board Game exploring the World of Darkness®

\* High-quality components include five plastic miniatures, 100 full-color play cards, a full-color board, five clan record cards, influence tokens, dice and a 22" by 22" board.
