著者:Joan Didion

出版者:Vintage

出版时间:1993-04-27

装帧:Paperback

isbn:9780679745396

In her latest forays into the American scene, the author of Miami, Democracy, and Salvador covers ground from Washington to Los Angeles and from a TV producer's mansion to the racial battlefields of New York's criminal courts. And along the way, she reveals the mythic narratives that other commentators miss.

书评

“Her intelligence is as honed as ever; her voice has its familiar ring, and her vision is ice-water clear. . . . Didion has captured the mood of America in these days of sullen tension and strife.” —The New York Times “[Didion’ s] reportorial pieces

“Her intelligence is as honed as ever; her voice has its familiar ring, and her vision is ice-water clear.... Didion has captured the mood of America in these days of sullen tension and strife.” —The New York Times “[Didion’ s] reportorial pieces
