出版者:Lerner Publications

出版时间:2002-07

装帧:Hardcover

isbn:9780822500711

These informative and inspiring biographies will give young readers a look at the lives

of some of the world's most influential people in history. Each over 100 pages, the books are also ideal for reports. Charlotte, Emily, and Anne Bronte were extraordinary not only because they were successful female writers in Victorian England, but also because they were sisters. Growing up, all three sisters' writing was significantly influenced by their family members. This fascinating account of each sister's unconventional life, astounding talent, and tragic death draws readers into the minds of the gifted authors. With such classics as Jane Eyre, Wuthering Heights, and Agnes Grey, their voices still resonate today.
