出版者:Ivan R. Dee, Publisher

出版时间:1999-06-25

装帧:Paperback

isbn:9781566632409

In Hume in 90 Minutes, Paul Strathern offers a concise, expert account of Humes life and ideas, and explains their influence on mans struggle to understand his existence in the world. The book also includes selections from Humes writings; a brief list of suggested reading for those who wish to push further; and chronologies that place Hegel within his own age and in the broader scheme of philosophy.
