isbn:9780521700719

Political extremism is one of the most pernicious, destructive, and nihilistic forms of human expression. During the twentieth century, in excess of 100 million people had their lives taken from them as the result of extremist violence. In this wide-ranging book Manus I. Midlarsky suggests that ephemeral gains, together with mortality salience, form basic explanations for the origins of political extremism and constitute a theoretical framework that also explains later mass violence. Midlarsky applies his framework to multiple forms of political extremism, including the rise of Italian, Hungarian and Romanian fascism, Nazism, radical Islamism, and Soviet, Chinese and Cambodian communism. Other applications include a rampaging military (Japan, Pakistan, Indonesia) and extreme nationalism in Serbia, Croatia, the Ottoman Empire and Rwanda. Polish anti-Semitism after World War II and the rise of separatist violence in Sri Lanka are also examined.

评论

很无聊的书。把政治极端化的起源归结到得而复失的主观感受（ephemeral gain）以及死亡率。对于应对的处方是降低损失感。变量的选择和论述都平平无奇
