isbn:9780785118794

From classics like Doc Ock to lesser known law breakers like Cyclone, we've got more villains than you can shake the proverbial stick at (although webbing is actually more recommended)! Illusion's the order of the day with the miscreant misdeeds of Mindworm, Mysterio, and Mirage - but the Jackal's got something much more enduring in mind! Witness the birth of the Clone Saga! Spidey faces a lashing from the Lizard, a scrap with the Scorpion and a tussle with the Tarantula - but can any menace truly match... the Spider-Mobile? Featuring the origins of the Jackal, the Grizzly, the Fly, Mose Magnum, and more! Collects Amazing Spider-Man #138-160, Amazing Spider-Man Annual #10, and Giant-Size Spider-Man #4-5.
