Each of the twenty-two tales in this enchanting collection is a surprise and a delight, melding the poignant and the possible with the outrageous, the magical, and, sometimes, the eerily haunting. Wolf men, dolphin women, defiant old ladies, and middle-aged manufacturers of erotic leatherwear -- in Jigs & Reels the miraculous goes hand in hand with the mundane, the sour with the sweet, and the beautiful, the grotesque, the seductive, and the disturbing are never more than one step away. Whether she's exploring the myth of beauty, the pain of infidelity, or the wonder of late-life romance, Joanne Harris once again proves herself a master of the storyteller's trade. </p>
