isbn:9780714847641

- An all-in-one fold-and-send stationery pad featuring images from one of the world's best-known photographers

- No envelopes required - simply write on a sheet of the pad, fold it up, seal along the ready-glued edges, add a stamp and put your letter in the mail
- A novel and convenient solution to the need to send a personal note in the age of emails
