Doctor Who viewers might believe they've seen every photograph, read every interview,

know every fact about the latest incarnation of BBC TV's science fantasy series, but this book will set out to show them just how much they've missed. With pre-production drawings and paintings, countless behind-the-scenes candid shots, comments and opinions from everyone involved, "The Inside Story" sets out to be exactly that. This is the insider's scoop on the how, why, who and where of all things Doctor Who.

RTD: if the inside story has taught me one thing, it's that there's no such thing as history. there's just people. all with different voices, all talking and remembering. 在看过the writer's tale和 it is for television后此书在DW的创作理念上俺已经很少感到意外，但还是有不少有趣的逸事和之前没有注意到的角度（比如场景的颜色运用等），以及大量的幕后团队艰苦的硬件制作过程，虽然不在俺关心之内，但是看完对此剧的爱又多几分敬意。
