著者:Stephen Harris

出版者:McGraw-Hill Humanities/Social Sciences/Languages

出版时间:2002-10-25

装帧:Paperback

isbn:9780767409803

Designed for students undertaking their first systematic study of the Hebrew Bible, this text has two goals: to acquaint readers with the content and major themes of the biblical documents, and to introduce them to issues in biblical scholarship. Pedagogically rich and reader-friendly, this text was designed for conventional introductory courses using historical-critical methodology, and will also be useful in courses studying the Bible as literature, or as a reference text in the study of ancient religion.
