著者:Bram Stoker

出版者:Signet

出版时间:1992-11-01

装帧:Paperback

isbn:9780451175816

Dracula is perhaps almost as interesting regarded historically as the product of a specific time as it is engaging to continuing generations of readers in a 'timeless' fashion. In her introduction Byron first discusses the famous novel as an expression not of universal fears and desires but of specifically late nineteenth-century concerns. At the same time she is entirely attuned to the ways in which, however much Dracula is a Victorian text, Dracula is a very twentieth-century character, a representative of modernity and of the future.
