出版者:Tuttle Publishing

出版时间:2006-05-15

装帧:Paperback

isbn:9780804837361

English Made Easy is a breakthrough in English language learning; imaginatively exploiting how pictures and text can work together to create understanding. It gives learners easy access to the vocabulary, grammar and functions of English as it is

actually used. Consisting of 20 lessons, English Made Easy clearly outlines the new language in a list of words and phrases, together with a pronunciation guide. At the end of each unit, a story integrating the lesson is presented, along with revision exercises to reinforce the tutorial.
