

Ethics, Killing, and War

[Ethics, Killing, and War_下载链接1](#)

著者:Richard Norman

出版者:Cambridge University Press

出版时间:1995-01-19

装帧:Paperback

isbn:9780521455534

A combination of lucid exposition and original argument makes this the ideal introduction both to the particular debate about the ethics of killing and war, and also to the fundamental issues of moral philosophy itself.

作者介绍:

Richard Norman is a professor of Moral Philosophy at the University of Kent at Canterbury. His previous books include *The Moral Philosophers* and *Free and Equal*.
