isbn:9781593082659

When Mole decides he has had enough tiresome spring-cleaning for one day, the scrappy nonesuch throws down his broom and bolts out of his house looking for fun and adventure. He quickly finds it in the form of the Water Rat, who takes the wide-eyed Mole boating and introduces him to the mysteries of life on the river and in the Wild Wood. Mole also meets Ratty's good friends: the kindly, solid Badger and the irrepressible Toad. Soon, the quartet's escapades—including car crashes, a sojourn in jail, and a battle with the weasels who try to take over Toad Hall—become the talk of the animal kingdom.

Filled with familiar human types disguised as animals, Kenneth Grahame's *The Wind in the Willows*, like all exemplary children's literature, has always appealed greatly to grown-ups as well. Though first published in 1908, when “motor-cars” were new and rare, *The Wind in the Willows* presents surprisingly contemporary—and uproariously funny—portraits of speed-crazed Mr. Toad, generous Badger, poetic Ratty, and newly-emancipated Mole. And lurking all the while within the humor and good spirits, Grahame's deeply felt commentary on courage, generosity, and above all, friendship.

Where did I put it last time?

它们吃鸡肉、骑马，完全像人一样过日子，但不时出现 “there was a chink of coin passing from paw to paw”，真是可爱得令人发笑。
