Sewing with a Certain Savior Faire!

The inimitable Céline Dupuy presents sewers of all skill levels with more than fifty projects, each with a touch of something wonderfully, whimsically French. Including easy items to sew for the home, fashion accessories, delightful gifts, and innovative ideas for customizing your favorite pieces of furniture, these chic patterns will inspire you.

From ultra-simple to more complicated designs, Simple Sewing with a French Twist helps you discover a whole range of skills and techniques for sewing by hand or with a machine. Céline includes clear instructions as well as recommendations about materials—from what you’ll need to get started to advice on pairing fabrics beautifully. From a charming bistro placemat to a stylish tote for jetsetters, to more challenging projects such as a sophisticated chemise or chic sunhat, you’ll love her inventive ideas.

With Céline’s passion for sewing featured on every gorgeous page, Simple Sewing with a French Twist contains only the crème de la crème of style!
