Featuring Dik Browne's lovable Viking Hagar the Horrible, here is an indispensable manual filled with hands-on advice for anyone who would enter the Viking business. For the first time anywhere, the entire range of Viking life, lore, and wisdom is presented.

Illustrated with 150 full-color drawings, this guide explains how anyone can be Norwegian, conduct a smash-and-grab, and take home the fruits of victory even when closet space is tight. Hagar's beloved Helga, Honi, and Hamlet are all present; there's a long-running party at the Glog factory; and a special section rates the 10 Most Sackable Cities in Europe. For all who quest for the Golden horn, assault castles, or wield the broad axe, this is the definitive treatise.
