著者:Camille Solyagua

出版者:Nazraeli Pr

出版时间:1999-12

装帧:Hardcover

isbn:9783923922765

Our much anticipated, second publication on the work of contemporary artist Camille Solyagua, this accordion-bound book documents the unique collaboration between Solyagua and her highly-trained circus ants. From the “Flying Trapeze Artist” to the unbelievable magic of the “Magician,” Solyagua’s six-legged performers have got to be seen to be believed. We are proud to present this industrious oeuvre in a hand-bound, limited edition of 1,000 copies.
