

Probability and Statistical Inference (7th Edition)

[Probability and Statistical Inference \(7th Edition\)_下载链接1_](#)

著者:Robert V Hogg

出版者:Prentice Hall

出版时间:2005-01-20

装帧:Hardcover

isbn:9780131464131

This applied introduction to the mathematics of probability and statistics emphasizes the existence of variation in almost every process, and how the study of probability and statistics helps us understand this variability. Designed for students with a background in calculus, it reinforces basic mathematical concepts with numerous real-world examples and applications to illustrate the relevance of key concepts.
