Book Description

Love Versus Hate

Herbie, the VW with a personality, has seen better days until mechanic Hank Cooper adopts him. Soon Herbie is roaring and ready to go. But Herbie's nasty previous owner creates a VW in his own image and calls it "Horace the Hate Bug." In a climactic showdown, Herbie squares off with Horace in a race to the final finish. Can love conquer hate and save Herbie from becoming scrap metal?

Be a part of the magic.....

When families gather together on Sunday nights to watch The Wonderful World of Disney on ABC, memories are created that will remain strong for many years. With The Wonderful World of Disney presenting a different movie every week, Sundays will never be the same.
