Providing a complete treatment of the first 2000 years of Christian theological debate, the fourth edition of *Christian Theology: An Introduction* retains all of the highly acclaimed features of the previous editions while incorporating important new material. This new edition includes sections on African, Asian, and Indian theology; the

history and theology of the Eastern Orthodox Church; the history of women in the early Church; feminist theology; Catholic teachings on the doctrines of the Church, and a new section on the subject of suffering. Selected sections have been rewritten for improved clarity, and chapter summaries and textual interaction sections have been added for increased understanding. Beautifully written, this even handed volume offers a comprehensive and intelligent introduction to Christian theology.

Alister McGrath's internationally-acclaimed Christian Theology: An Introduction is one of the most widely used textbooks in Christian theology. Fully revised and featuring lots of new material, this fourth edition provides an unparalleled introduction to 2,000 years of Christian thought. Key features of this new edition include:

- New sections on monastic schools of theology, the English Reformation, and Radical Orthodoxy
- Increased discussion of women in the early Church, feminist theology, Eastern Orthodox theology and history, and Catholic teachings on the Doctrine of the Church
- User-friendly key terms sections and study questions.

These changes will ensure that Christian Theology remains the essential textbook, providing an even-handed, comprehensive and lively introduction to the field. The fourth edition is accompanied by a website at [www.blackwellpublishing.com/mcgrath](http://www.blackwellpublishing.com/mcgrath), featuring additional lecturer resources.
