Can I really trust in the gospel?

Does God really love me?

Can I really be of any use to God?

We are taught to doubt but commanded to believe. Somehow we think that admitting to doubt is tantamount to insulting God. But doubt is not a sign of spiritual weakness, rather it's an indication of spiritual growing pains.

Alister McGrath, no stranger to a faith born of doubt, here offers good news to doubters: your faith can grow, and strengthen as it grows. It needs to take root in your experience of God, it needs to take in the nourishment of instruction in the words and ways of God, it needs to be stretched into greater obedience to the commands and calling of God but it can grow beyond doubt into a thriving relationship.

Market/Audience

Apologetics buffs

Evangelists

Pastors

Students

Features and Benefits

Respectful treatment of the place of doubt in faith formation.

Written in a conversational style by a leading Christian thinker.

Includes a foreword by Ravi Zacharias.
