"My Monster Bubblewriter Book" is an activity book to inspire and encourage creativity with both words and drawing. It teaches children how to create cool hand lettering,

using their imaginations to create crazy alphabets from monster inspired scripts to patchwork letters. There are loads of fun things to make, like posters and cards. Kids can use bubble writing to write letters and play games, create their own comics and do lots of other cool stuff. Along the way, members of the Bubble writer Gang appear to show their own special monster alphabets and offer tips and hints throughout the book, including how to invent monster characters. It is monstrously good fun!
