Me, Inc. provides a unique approach to discovering your personal brand and making it a reality. "In all of the thirteen years since I first heard Ventrella speak on this subject, I have consistently been impressed by the value of his approach and the responses of the hundreds of students who have benefited from his structured program. With the publication of Me, Inc., Ventrella reveals to a much larger audience the way to create successful, happy lives. His students at Fordham and executive coaching clients have been applying it with excellent results for years."

"Me, Inc. provides a clear road map to achieving your goals and finding greater work-life balance. Ventrella's approach offers an interesting and powerful way to assume control; by managing your life's ambitions as seriously as you might a business endeavor, you can clarify your thoughts, set priorities, and turn your dreams into reality. Ventrella is a very effective coach and, like any good boss, he doesn't let you off the hook. You want to change things? Look no further."
