As any traveller will tell you, when you're on the move, it's best to travel light. And this is just the series of journals to travel with, be it around the world, or around the block.

We've taken some of our most striking images and hand stitched them into this very attractive 5" × 7" trim size. There's a memento accordion pouch in back to keep all of those loose bits and pieces in one easy-to-access place, and an elastic end-leaf enclosure to mark your place or enclose the entire book. Of course, with our unique handstitched binding, every page lies perfectly flat.
