War Stories chronicles 53 personal testimonies of virtually every major event from World War II by residents of New Orleans—from a Polish army officer who was defending his homeland the day of the German invasion to a member of the honor guard aboard

the U.S.S. Missouri the day the Japanese signed the surrender papers. This one-of-a-kind memorial represents journalist Elizabeth Mullener's 12-year dedication to preserving eyewitness accounts of the most devastating conflict in human history.
