Festive Flowers 2002 features flower arrangements for every season from one of the world's leading florists, Paula Pryke. Beautiful and useful, this calendar gives abundant ideas for home decorating. The spectacular photographs are accompanied by instructions for holiday-and seasonal-specific flowers and arrangements and instructins for caring for flowers year round. Acclaimed as "the most brilliant florist in London" (The Independent), Paula Pryke is internationally renowned for her original, ingenious and dramatic flower arrangements. Her work has been featured in such magazines as Elle, Brides, and Good Housekeeping.
