

Invitation to the Psychology of Religion

[Invitation to the Psychology of Religion_ 下载链接1](#)

著者:Raymond F. Paloutzian

出版者:Allyn & Bacon

出版时间:1996-02-13

装帧:Paperback

isbn:9780205148400

This is the only newly revised book on the market to target the mid-level undergraduate student. Providing a well-balanced and thorough look at the psychological literature, this book is meant to be ‘an invitation to the psychology of religion, not an encyclopedia of it,’ and therefore, particular emphasis has been placed on writing style as well as scholarship.
