"Goetia [refers to] all the operations of that Magick which deals with gross, malignant or unenlightened forces." Goetia is sometimes thought of as a wild card, something that can get out of control, something which expresses the operator's lower desires to control others and improve his own personal life. And, in fact, this potential loss of control, this danger, the desire for self improvement and great power is exactly what attracts many people to Goetia while horrifying and repelling others. Crowley's Goetia is brought to life with vivid illustrations of the demons. Commentary by Duquette and

Hyatt bring the ancient arts into the modern day.
