'I have become whore through goodwill and libertine through virtue.' Orphaned and penniless at the age of twelve, the beautiful and devout Justine embarks upon her remarkable odyssey. Her steadfast faith and naive trust in everyone she meets destine her from the outset for sexual exploitation and martyrdom. The unending catalogue of disasters that befall her, during which she is subject to any number of perverse practices, illustrate Sade's belief in the primacy of Nature over civilization. Virtue is no match for vice, and as criminality and violence triumph, Justine is doomed to suffer. Sade's writings have become a byword for transgression and obscenity, and the logical amorality of his philosophy still has the power to shock. By overturning social, religious, and political norms he puts under scrutiny conventional ideas of justice, power, life, and death. Justine is a ferocious physical and intellectual assault on absolute notions of good and evil, and as such, one of the earliest literary manifestos for atheism. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

## 评论

其实我没明白为什么就成禁书了……这水平……作为黄书屁话太多了好吗，但要说刻画入微吧又并没有……女主这也算玛丽苏的一种了，谁见了都控制不住想和她啪啪啪==而且什么了不得的描写都没有，手动再见
