When is the right time to shear a sheep? Is there a market for manure? What time of day is best to collect eggs? What is the correct way to milk a goat? What does a duck eat? Can a cow and a sheep share the same pasture? Which types of rabbit are easiest

to raise? Each chapter focuses on a different animal and offers a comprehensive review of the ins and outs - the tribulations and triumphs - of living with and caring for a small farmyard.
