This title presents the work of 100+ established and emerging international polymer clay artists. Each chapter will focus on a specific category of polymer clay work, including colour, fashion, miniatures and more. It includes in-depth profiles of influential artists and step-by-step demonstrations of his or her signature technique. In Polymer Clay Global Perspectives, polymer clay artist and founder of the blog Polymer

Clay Daily, Cynthia Tinapple presents the work of more than 100 established and emerging polymer clay artists from around the world. Each chapter will focus on a specific category of polymer clay work, including colour, fashion, miniatures, sculpture, mixed media and caning, and will offer an in-depth profile of an influential artist, a step-by-step demonstration of his or her signature technique, and an inspiring overview gallery of related work by other artists.
