isbn:9780896600560

This tiny treasure is a glorious tribute to Ansel Adams and to the vanishing landscape he loved.

The often stunning and sometimes subtle beauty of America's national parks has been captured forever in the evocative images of Ansel Adams, the most admired photographer of our time. These photographs demonstrate the genius of Adams's technical and aesthetic inventiveness and expressed his deepest convictions as artist, conservationist, and citizen.

Other Details: Now in paperback! 120 illustrations, 90 in full color.
