New ideas on how to design, build, and decorate a home are always of essential value to architects, designers, and homeowners alike. This book offers an extensive collection of apartments from all over the world, devised by distinguished international architects and designers who have worked to achieve practical, innovative, and stunning solutions adapted to the specific needs and particular tastes of their clients. This compilation expresses the diversity of current trends in apartment design and provides an inspirational source of ideas for those active in the field of design or interested in catching up on the latest in contemporary residential architecture. </p>
