### Book Description

Oh, no! It's not enough that George and Harold have invented Captain Underpants, the greatest superhero of all time, and that they've also saved the world FIVE times! They defeated Dr. Diaper! They punished Professor Poopypants! And they whacked the wicked Wedgie Woman! What task could be worse?!?!? This one: As punishment, the boys have to write a 100-page report on "good citizenship," and they have been specifically ordered NOT to write another comic about Captain Underpants. So what do they do? Aha! Meet Super Diaper Baby--the most powerful peewee to pack a punch. With Pilkey's typical over-the-edge humor, Super Diaper Baby will have kids laughing until soda comes out their noses.

Move over, Captain Underpants! There's a tiny new superhero in town. Undaunted by Principal Krupp's insistence that their essay assignment on good citizenship not be another comic book about the briefs-clad warrior, fourth graders George and Harold decide to invent a new superhero. Super Diaper Baby is born! It's up to our fearless infant hero to save the planet from diabolical Deputy Doo-Doo and his reluctantly evil pooch, Danger Dog ("I'm not really evil. I'm just in it for the kibbles."). Several robotic battles, intergalactic digressions, and "flip-o-ramas" later, Super Diaper Baby has done his duty, and George and Harold are in trouble yet again with their principal. Still, it was worth it, as any fan of Dav Pilkey's lowbrow, scatologically inclined "epic novels" (The Adventures of Captain Underpants, Captain Underpants and the Wrath of the Wicked Wedgie Woman, etc.) will attest. George and Harold's spelling is atrocious, their humor is straight off the grade school playground, and kids love every page of it. (Ages 8 to 12)

From Publishers Weekly

When the principal discovers incorrigible fourth graders George and Harold in the gym, running over ketchup packets with their skateboards, he punishes them with the assignment of writing a 100-page essay on good citizenship and cautions them against turning in another comic book about Captain Underpants. No problemo for this creative duo, who instead invent another slightly younger "super hero." The madcap misadventures of this diapered daredevil possess all the kid-tickling silliness that fans of his underwear-clad predecessor apparently can't get enough of plus ample doses of bathroom humor. When the doctor gives him "the spank of life" at birth, he slaps the newborn too hard and the infant goes flying out the hospital window, landing in a container of "super power juice" that evil Deputy Dangerous has zapped from Captain Underpants. Then, trying to retrieve the powers from Baby, the villain inadvertently turns himself into the "piece of poo" that was in the young hero's diaper. "Deputy Doo-Doo" then seeks revenge alas, to no avail, since in the end, his once-loyal pooch and Baby wrap him up mummy-like in (what else?) toilet paper. Visually similar to the Captain Underpants capers, Pilkey's latest is replete with misspellings, pleasingly bad puns and the "flip-o-rama" feature that slips some rudimentary animation into these preposterously good-humored pages. Novice graphic-novel creators will appreciate a concluding "How 2 Draw" section. Ages 7-10.

From School Library Journal

Grade 2-5-Another goofy, gross-out selection from a popular author. In this, their first graphic novel, Harold and George are caught in the act of skateboarding over ketchup packets in the gym and ordered by Principal Krupp to write an essay on good citizenship. After strict instructions against turning in another "Captain Underpants" comic book, the boys decide to create a new superhero. When super power juice is sucked out of Captain Underpants by the evil Deputy Dangerous, it appears that all is lost. However, the potent liquid is ingested by a newborn baby and "Super Diaper Baby" is born. In a plot to recapture the juice from the infant, Deputy Dangerous inadvertently becomes "Deputy Doo-Doo" when he is turned into a giant "poop" by his own invention. Where do the heroes take him? "Why Uranus, of course!" Puns, jokes about bodily functions, and ludicrous misspellings will keep children who enjoy this level of comedy suitably entertained. ("What's the difference between boogers and broccoli? Kids won't eat broccoli.") Any library with a "Captain Underpants" (Scholastic) following will want to own multiple copies of this title as well.

是队友带老大一起读的。某些特别傻的梗，让两个笑点低的人笑得喘不过气来。刚送妹妹上床的老母亲在旁边葛优躺，感觉真的是累得笑都笑不出来了...只能庆幸至少家里有人还能陪着娃笑得那么开怀
