A new approach to numerology

Experience the power and deep meaning inherent in the spiritual science of numbers. This breakthrough book will show you that numerology consists of more than just nine numbers. It involves our entire mathematical system—from arithmetic to modern

physics-and is rich in psychological insight.

Combining the mystery of the occult with the objectivity of science, this book expands numerology far beyond any current concept of it. It explains the little-known history of number symbolism and offers a step-by-step progression of spiritual development.

For those interested in the scientific/mathematical basis for the occult and numerology
Presents a deeper, more meaningful level of Pythagorean numerology than anything available elsewhere
Teaches how to do numerology and, more importantly, how to make the interpretations
Offers a numerical interpretation of the nature of time
