It is autumn 1941 and a German U-boat commander and his crew set out on yet another hazardous patrol in the Battle of the Atlantic. Over the coming weeks they must brave the stormy waters of the Atlantic in their mission to seek out and destroy British supply ships. But the tide is beginning to turn against the Germans in the war for the North Atlantic. Their targets now travel in convoys, fiercely guarded by Royal Navy destroyers, and when contact is finally made the hunters rapidly become the hunted. As the U-boat is forced to hide beneath the surface of the sea a cat-and-mouse game begins, where the increasing claustrophobia of the submarine becomes an enemy just as frightening as the depth charges that explode around it. Of the 40,000 men who served on German submarines, 30,000 never returned. Written by a survivor of the U-boat fleet, *DAS BOOT* is a psychological drama merciless in its intensity, and a classic novel of the Second World War.

王府井外文书店竟然有这个！不过是英文版。。。

塑造得最成功的形象是the Old Man。换我作Buchheim的话，看到电影如此成功并且相对尊重原著地影像化，实在应该满意了。似乎只有Weser号的一段是纯原创。No wonder Buchheim hated that.
