著者:Geoffrey Moore

出版者:Clarkson Potter

出版时间:1986-11-13

装帧:Hardcover

isbn:9780517570104

Edgar Allan Poe is perhaps best known as a writer of mystery tales. However, he was also of great importance as a poet -- a serious craftsman who influenced many later writers and himself took bold, imaginative strides into the future.

While some of his poems have the macabre overtones of his stories, others are simple, lyrical expressions of emotion evoking a timeless and haunting quality.

This selection of his verse is accompanied throughout by watercolours painted by Edmund Dulac for *The Bells and Other Poems* by Edgar Allan Poe, 1912.
