Max, Antonio, Maia, and Jamie are back in this high-drama action novel starring the Black Belt Club! Filled with comic book-like illustrations, this fast-paced adventure follows our heroes into a scary desert world controlled by the evil Hate Master, Heyoka. Together, these four karate students must overcome terrifying tarantulas, vampire bats, and the Hate Master, who feeds off their fear. Only when they discover the true meaning of friendship will the Black Belt Club, and the world, be safe once more.
