## Book Description

The Magic School Bus was a series of children's books intended to teach scientific concepts to children. The books feature the exploits of Ms. Frizzle and her class of students at Walkerville Elementary School who board a magical school bus which takes them on educational adventures to space, under the Earth, into the human body, or to other such locations. The books were written in the first person from the point of view of an unnamed student in the Friz's class.

## Synopsis:

The kids in Ms. Frizzle's class are getting ready for the Wild Weather Show. To prepare, they take a field trip to the Weatherama Amusement Park. The class finds out just how wild weather can be when they accidentally fly right into a powerful tornado. It's a whirlwind of excitement!
