

The People One Knows

[The People One Knows_ 下载链接1](#)

著者:Daniel Jones

出版者:Mercury Pr

出版时间:1994-03

装帧:Paperback

isbn:9781551280110

Jones' characters are romantic, tough, sensitive and sometimes crazy; struggling writers, artists, and musicians, painted against a background of cafés, apartments and night clubs in Toronto's urban core. They wear Doc Martens boots, berets, and black leather jackets, the legitimate '80s and '90s heirs of Kerouac's Beats.
