装帧:Paperback

isbn:9780789497017

Whether learning the simplest cords and choosing the first songs you want to play to learning more complex styles and advanced improvisation, The New Complete Guitarist is the easiest-to-follow reference for people just picking up a guitar. Including the most up to date fingering, chords, notes, scales, modes, and sequences, this is the only all-visual approach to learning all styles of guitar.
