The planet Quinta is pocked by ugly mounds and covered by a spiderweb-like network. It is a kingdom of phantoms and of a beauty afflicted by madness. In stark contrast, the crew of the spaceship Hermes represents a knowledge-seeking Earth. As they approach Quinta, a dark poetry takes over and leads them into a nightmare of misunderstanding. Translated by Michael Kandel. A Helen and Kurt Wolff Book

评论

窒息一般好看。不不不，光用“好看”二字无法形容这本书。震撼心腑，百转千回，细节炸裂，主题炸裂，思想炸裂...非常，非常莱姆。这是他科幻封笔前写的倒数第二本小

说（1987年）。

Similar to "His Master's Voice", with a better story structure and astrophysics gist.
