This title offers a winning formula for selling to women around the world. Avon has come a long way since handing out its first perfume sample back in 1886. The company, long famous for ringing customer doorbells, is now the world's largest direct sales organization - with almost five million representatives in more than 140 countries. "Avon: Building the World's Premier Company for Women" is the first book ever to show how this cosmetics juggernaut achieved such incredible success, while revealing secrets any business can use to effectively market products of all kinds-especially to women. Through this entertaining journey, you'll not only learn the colorful Avon story, but also see how every company, big or small, can benefit from its unique approach to sales and product development.
