Discover the best kept secret in South America. Colombia is safer than ever, affordable and still blissfully uncrowded - an independent traveler's dream. Laze on palm-fringed Caribbean beaches. Canoe slient rivers through lush rainforest. Stroll Cartagena's colonial old town. Salsa all night in Cali. Packed with practical advice and valuable tips for trouble-free travel, our peerless guide enables you to explore with confidence.

The Basics - detailed maps, tailored itineraries and easy-to-use directory help make the most of your trip.

Adrenaline Rushes - the best spots for diving, rafting, hiking, rock-climbing and other thrills.

Straight Talk - honest advice on where to go - and still risky spots to avoid.

Discerning Reviews - opinionated authors give the lowdown on where to sleep, eat and pain the town.

Colombia 101 - in-depth background chapters provide insight into the country and its people.
