With touch-and-feel elements, pop-ups, and pull-tabs on every page, this interactive book featuring LeapFrog characters gives preschoolers a multi-sensory way to learn about all kinds of shapes! On the left hand side of the last spread, there is a search-and-find game. The right hand side holds a large envelope containing a sticker play sheet, two large sheets of stickers, and a parent guide. This book has been developed in association with early learning specialists at LeapFrog and at Scholastic.
