Meet Spyler and CeCe--they love to play I spy! The famous I Spy Circus has a ringleader and a clown but nothing for them to do. It's time to play I spy! I spy a straw, a yellow bird that sings,a tennis racket, and two gold rings.Spyler twirls the gold rings at one end of a tightrope, the yellow canary flies through the rings, and CeCe holds the straw in her mouth for balance at the other end of the tightrope. Spyler and CeCe put on a great show, and the I Spy Circus is a huge success!
