Karen's parents have always argued, and lately they've been getting worse. But when her father announces that they're going to get divorced, it seems as if Karen's whole world will fall apart. Her brother, Jeff, blames their mum. Her kid sister, Amy, asks impossible questions and is scared that everyone she loves is going to leave. Karen just wants her parents to get back together. Gradually, she learns that this isn't going to happen - and realizes that divorce is not the end of the world. Judy Blume has written some of the best books of our time about real-life issues - family stress and pressures, what happens when your parents divorce, the problems of growing up and sexual awakening, bereavement - with insight, sensitivity and honesty. The response of readers all around the world continues to make her one of the best-loved writers ever published.
