The series that revolutionized video game comics gets the presentation it deserves, in this super deluxe oversized hardcover collecting every Mass Effect comic to date! Created in close collaboration with the writers of the games, including Mass Effect 2 and 3 lead writer Mac Walters, the Mass Effect comics are tightly integrated and essential chapters of gaming's most acclaimed science fiction epic. This collection includes all four Mass Effect series - Redemption, Evolution, Invasion, and Homeworlds - the short stories from MySpace Dark Horse Presents, USAToday.com, and the Dark Horse digital store; a revealing sketchbook section; and more!
