书评

NLR 46期的一篇文章,DEBRAY的SOCIALISM: A

LIFE-CYCLE从用文学批评的方法,乃至借用生态学的观点,研究了社会主义的社会起源,它的时代,技术的特定背景以及由此而来的局限性.我觉得在左派崇尚空谈,在概念中纠缠不清,且沉溺于过去时代的革命手段和口号时,认识马克思主义自身的历史性,认识思想扎根于其中的具体的人和事,是非常有意义的.正如JAMESON提出的口号"ALWAYS HISTORICIZE".以下是我作的摘记,注释和解读. 摘要 The ecosystem of socialism, seen through the material forms in which its principles were transmitted—books, newspapers, manifesto...

By Ian Birchall Book Reveiw: Duncan Thompson, Pessimism of the Intellect? A History of New Left Review (Merlin), £16.95 To produce uninterruptedly, every two to three months, a socialist theoretical journal with a consistently high standard of analysis and commentary from 1960 to the present is no small achievement. Only two journals in Britain fit the description: International Socialism and New Left Review (NLR). Though in some sense rivals, the two journals have been complementary, and on occasio...
